

## *The Affordable Tabletop Binder*

The PBS-2000 tabletop perfect binder is compact but loaded with features. With a simple push of a button, you can make both soft and hard cover books. It incorporates the same processes that professional book binderies use, spine roughening, hot-melt adhesive, and precise clamping. Yes, it is possible to produce retail-quality books using affordable solutions!

- Semi-automatic push button operation
- Spine notching
- Soft cover books
- Hard cover books (centered floating spine)
- Optional spine crimping system for hard cover books
